

1 Navigate to arcroom.vercel.app

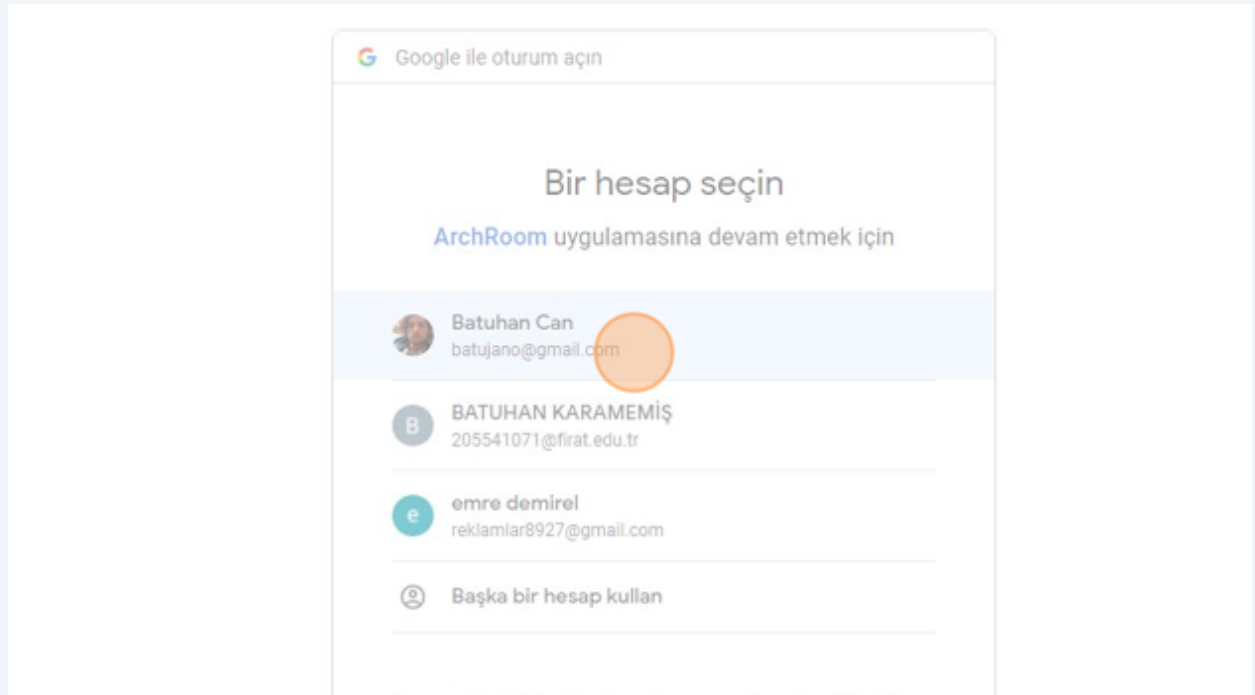

2 Click "Sign Up"

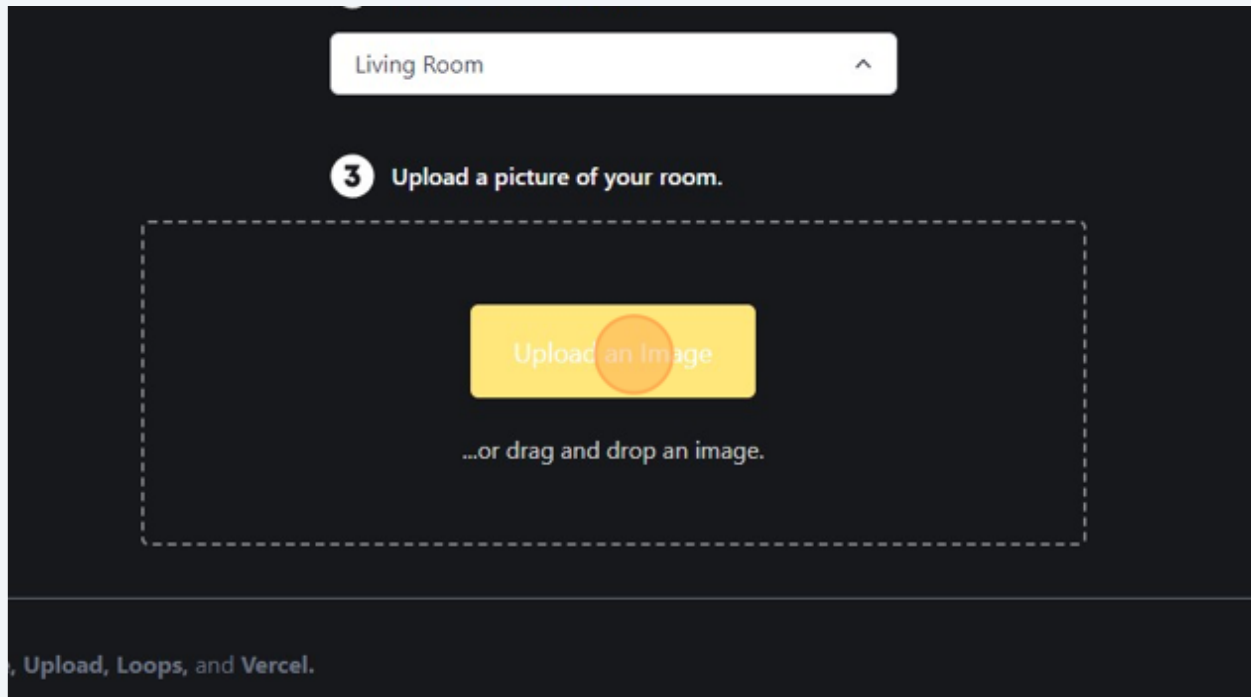

3 Click "Sign in with Google"

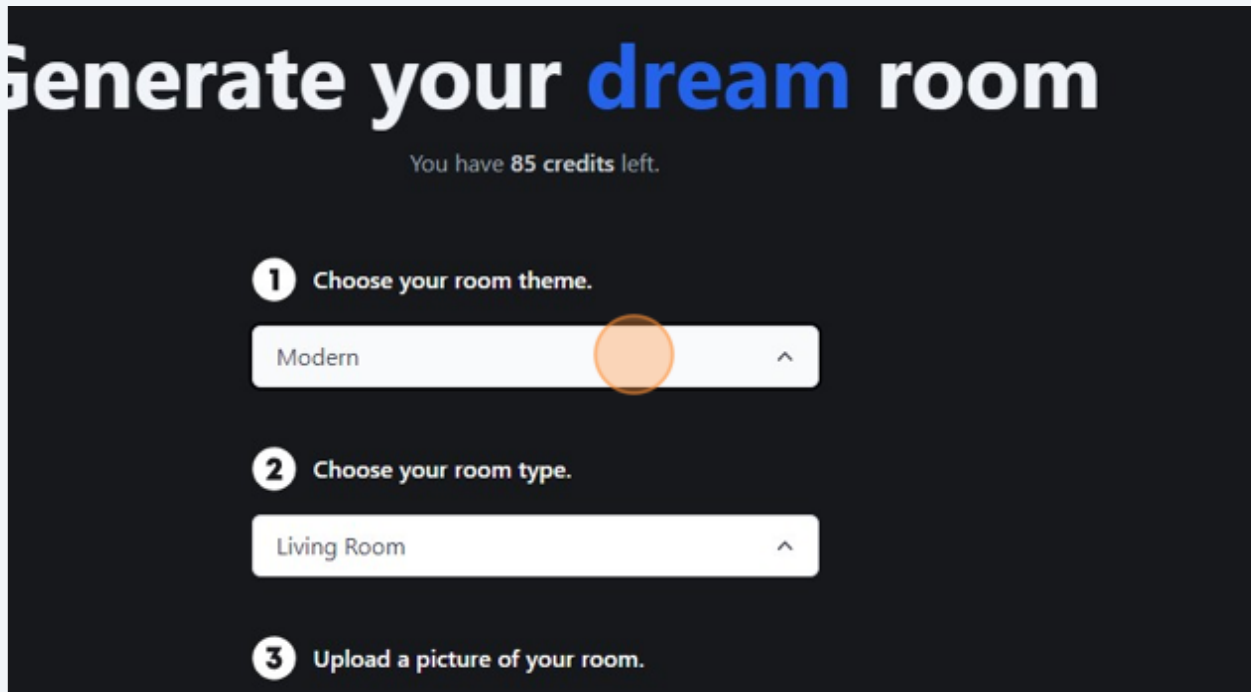

4 Choose your account.

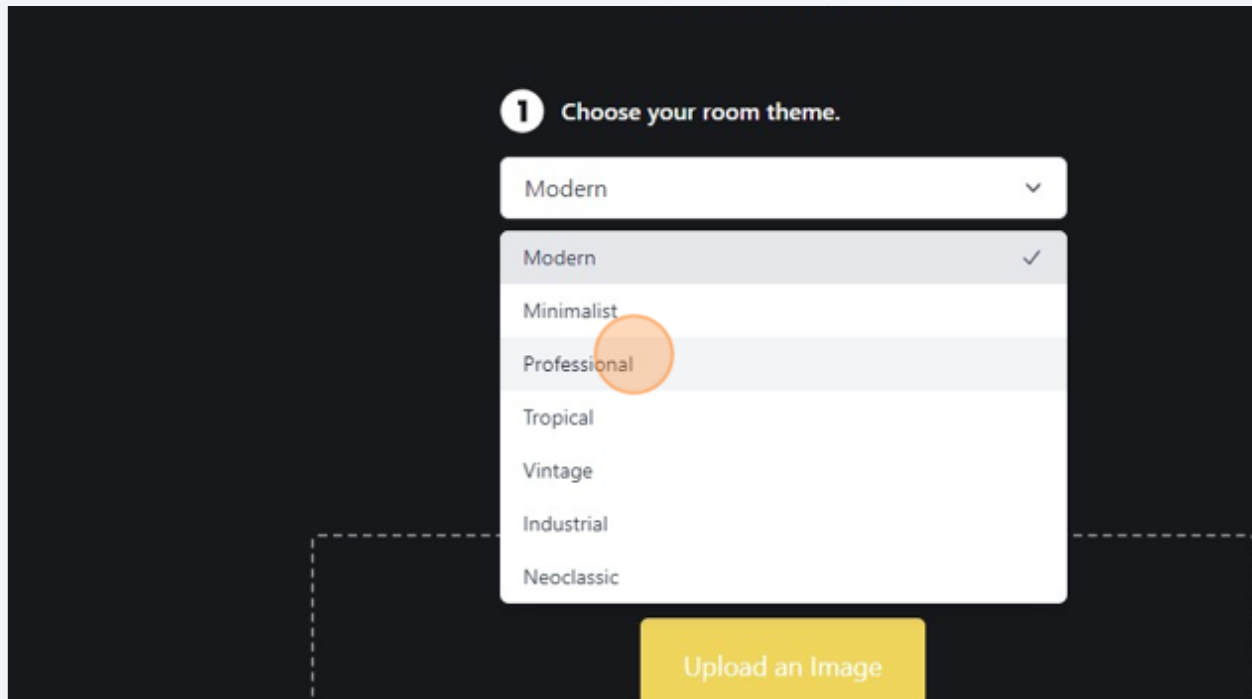

5 Click "Upload an Image"

6 Choose theme for example "Modern"

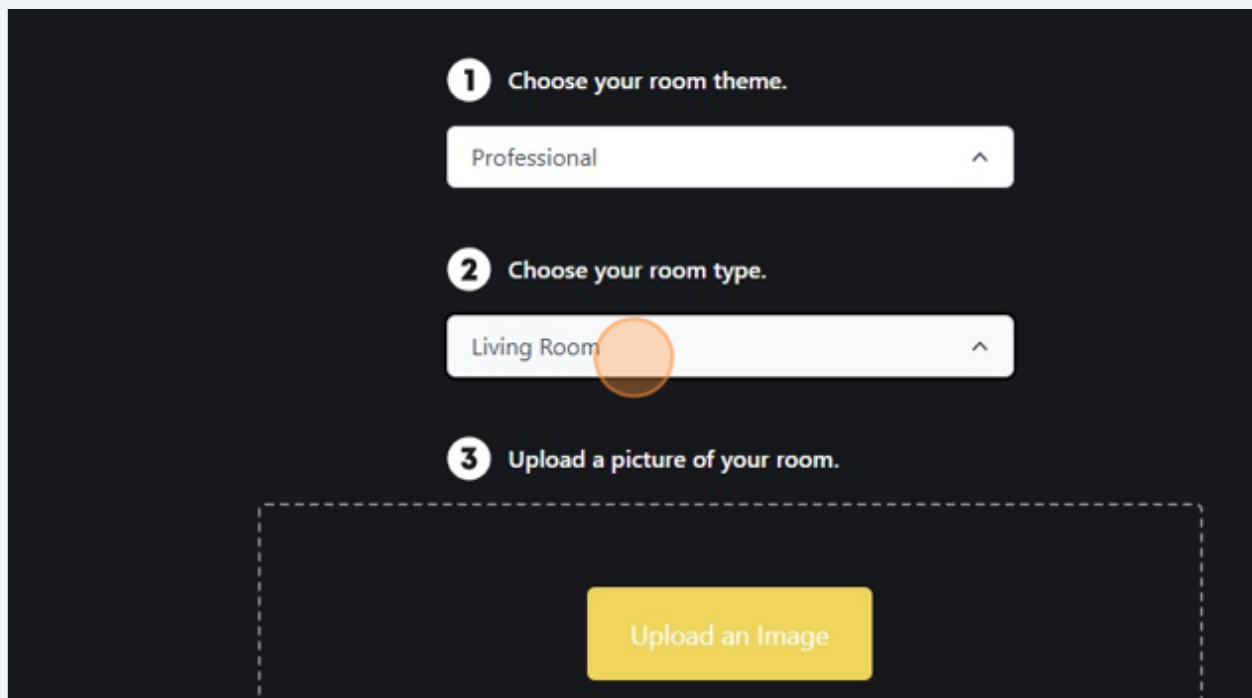

7 Choose room type for example "Professional"

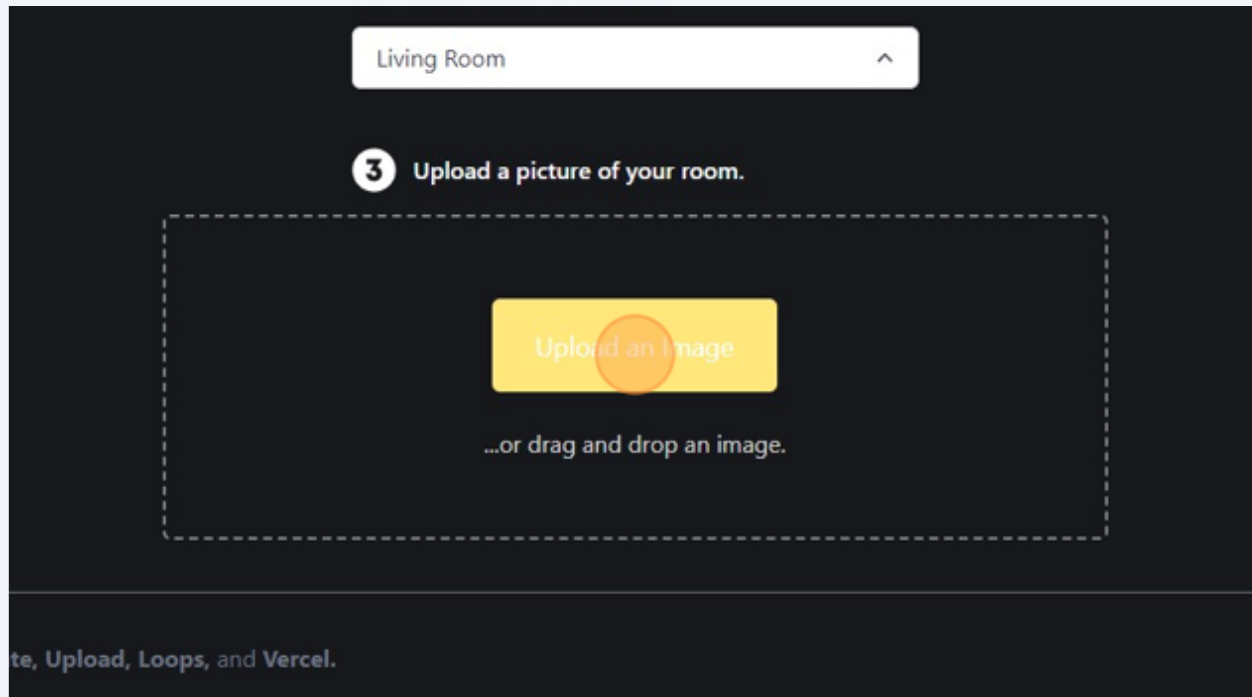

A screenshot of a web interface with a dark background. At the top, a white circle with the number '1' is followed by the text 'Choose your room theme.'. Below this is a white dropdown menu currently showing 'Modern' with a downward arrow. The menu is open, displaying a list of room themes: 'Modern' (with a checkmark), 'Minimalist', 'Professional' (highlighted with an orange circle), 'Tropical', 'Vintage', 'Industrial', and 'Neoclassic'. At the bottom right of the interface is a yellow button with the text 'Upload an Image'.

8 Choose room type for example "Living Room"

A screenshot of a web interface with a dark background. It shows three steps: Step 1, 'Choose your room theme.', with a dropdown menu showing 'Professional' and an upward arrow; Step 2, 'Choose your room type.', with a dropdown menu showing 'Living Room' and an upward arrow (highlighted with an orange circle); and Step 3, 'Upload a picture of your room.', with a large dashed white rectangle for image upload. A yellow button labeled 'Upload an Image' is at the bottom right.

9 Click "Upload an Image"

10 Wait until the process is done. It usually takes <20seconds.

11 Click "Download Generated Room"
